Genie Forklift

Genie Forklift Training BC - Genie is a globally established corporation that enjoys the spirit of alliance with their sizable network of associated consumers. Genie Industries prides itself on the image of bringing materials and people higher and extending further beyond the goods they manufacture. Genie Industries strives to help clientele build their operations no matter how large or small the level of operation may be.

The launch of the Genie Hoist in 1996, a pneumatic, transportable materials lift initiated the opening of Genie Industries. A succession of aerial work platforms and additional materials lift trucks followed to satisfy customer demand. These innovative goods secured universal recognition and established contemporary product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to construct and maintain foremost quality construction and uncompromising level of support and service. With consumers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured materials lift trucks on the jobsite, the company is securely planted in their exceptional customer values and service. Acknowledging that their customers are their greatest motivation, the team at Genie Industries are personally committed to providing expertise and maintaining customer rapport.

The dependable staff is fully committed to greener, more environmentally sensible solutions to advance the products that clients want. Genie Industries focuses on "lean production" practices in order to help diminish waste while building very high quality lift trucks in the shortest time period at the lowest workable expense for the customer. The team at Genie Industries is proud to serve the industry and this is reflected in every product they design. Always inviting consumer contribution allows them to design and develop modern new products that are effortless to service and use, deliver optimum value-for-cost and meet worldwide standards. Thriving on consumer opinion helps Genie Industries to continually evolve and meet the consumers' needs.

Genie service professionals understand the importance of uptime. They are readily available to answer inquiries and provide solutions. Their expansive components network will swiftly send components to ensure their customers' equipment are operating efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its client service and builds and serves its goods to guarantee efficiency and maximum uptime on the job. Providing on-going training opportunities, to marketing support to adaptable financing solutions, Genie Industries gives their customers the tools to get the most out of their investment.
