Nissan Forklift

Nissan Forklift Training BC - Nissan prides itself on reaching total customer satisfaction when their buyer is enjoying one of their many trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a fruitful heritage combined with solid production principals, Nissan lift trucks supply a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to delivering customer support, the business has four distinct production facilities that permit them to continually adapt to their customers continually evolving requirements by offering a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and processes that limit their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their consumers demand while being an environmentally conscious corporation.

Nissan is assured that they will be able to address any buyer questions or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
